Dear MI Parents,

Wow! I can't believe October is already here. This is a special and busy month for everyone, as we begin to prepare for the holiday season.

Progress Reports will be going home on Wednesday, October 10th. The objective of Progress Reports is to inform you about how your child is doing at this time. Remember that it is not a Report Card. This is to help you see the areas your child is struggling with so that you, together with the teacher, can offer the assistance necessary for your child to thrive.

Thank you for your support! It is a blessing being part of such a great team! May the Lord continue showering us with the grace of His love and may His light shine upon us.

Many blessings,

Veronica Macias, M. Ed.
Principal

Sunday Mass

We, at Mary Immaculate School, recognize that we are working in partnership with parents in guiding our students in spiritual guidance and growth. Attending Sunday Mass is essential to our children in order for them to grow in their faith. Please make Sunday Mass a priority in life. Sports, outings, family events, etc... are important, but I think we can all put aside one hour to attend Mass together as a family. I can tell you from my own experience

Upcoming Events

October 4

Blessing of the Animals after school

October 5

Picture Day

October 6

Funtacular Magic Show

that your children will remember those special moments. ☺

More Important News

Celebrating Our Faith

During the month of October, we will celebrate Our Lady of the Holy Rosary. Each morning our school community will pray her special prayer, the Hail Mary. I encourage you to pray the rosary with your family and reflect on the importance of Mary in our faith and in our lives.

Curriculum

Our school will continue working with the Department of Catholic Schools on the implementation of the Core Instructional Practices, CIP, with an emphasis on Math for the 2018-2019 school year. Teachers attended the first part of the training last month and will continue with the rest of the training in November and February. The Department of Catholic Schools will be visiting our school four times this year to conduct classroom observations. We will meet after each visit to develop action plans that will help us strengthen our school curriculum.

A **BIG** thank you to all our teachers for their hard work and dedication! They are truly a blessing to our school! ☺

Fundraising Events

Thank you parents for all your help and support. Our chocolate sale has been a great success. Good job everyone! Our next fundraising event will be Cookie Dough. Please continue to support our school.

Parish Fiesta

October 19th, 20th, and 21st

Please come and support our wonderful parish!
