November 26th-27th: NO SCHOOL: Thanksgiving Break

Dear Mary Immaculate School Parents,

We begin the holiday season with a very special month, November. It is during this month that we reflect and think about all the things we are thankful for and the blessings God has bestowed upon each one of us. We also get to say thank you to those people who with their love and kindness make our days brighter.

I would like to take this opportunity to say THANK YOU for all your help and support, especially during this pandemic! Thank you for making MI such a special place to be. Have a wonderful Thanksgiving! ☺

May God Bless You,

Veronica Macias, M. Ed

Give thanks to the Lord, for He is good; His love endures forever. Psalm 107:1

ELECTIVE CLASSES AND REPORT CARDS

As recommended by the Department of Catholic Schools, the school will not be using an "F" or a "D" as a letter grade, instead we will be using "NI" for "Needs Improvement". In addition to this change to our grading policy, we decided not to include the elective classes when calculating the trimester one GPA for Honors. These unprecedented times have brought a great sense of stress and we do not want to make remote learning more stressful for you and our students.

SCHOOL WAIVER FOR TK-2ND GRADE

I submitted the school waiver application packet for grades TK-2 last week. Our application packet and safety plan were approved by the Department of Catholic Schools. The DCS submitted our application packet to the LA County. The LA Department of Health will evaluate our application and safety plan. They will notify us if the waiver is approved. I will continue to keep you informed.

Give thanks!

PTO DRIVE-IN MOVIE NIGHT

Thank you for supporting our PTO event last Friday. Our students and families enjoyed the movie. It was a great way to come together as a school community in a safe manner. Thank you PTO for organizing the event! Great team work!

FAMILY INCOME SURVEY

Please take the time to complete the Family Income Survey. I attended a couple of Title I meetings this week and the Family Income survey is extremely important in order for our school to continue receiving Title I funds the following school year. Title I funds include a part-time resource teacher for ELA and/or Math. Our students have really benefited from this program in the prior years. Please submit the form by Friday, November 13th. Thank you in advance for your support.

WASC/WCEA

Due to the pandemic, WASC/WCEA has extended the deadlines for the Self-Study and school site visits. Our school will be submitting the Self-Study, school evaluation, and action plan at the end of the school year. We will continue working on the Self-Study and Action Plan throughout the school year. I have scheduled no school days in order to be able to work on the Self-Study for the school accreditation. Please keep us in your prayers as we continue with the accreditation process.

HAVE A WONDERFUL AND SAFE THANKSGIVING BREAK!
