He is Risen!

Dear MI School Parents,

I hope you and your families are safe and healthy. I wanted to take this opportunity to thank you for your tremendous patience and support. The last thirteen months have been filled with unexpected changes and many challenges. Our lives have been turned upside down, but one thing remains, our love and faith in God. It is through this love and faith that we will get through this together. Let us continue attending Mass and praying at home together as a family. Let our faith be stronger than our trials! I ask you to please continue to unite in prayer for each of our families, teachers, staff, the world, and especially, those suffering from COVID-19. May God place them in His healing Hand. There's always a light at the end of the tunnel and we can now see a glimpse of that light! This will be over soon!

Jesus, we trust in You!

Easter Blessings,

Veronica Macias
Principal

SUMMER SCHOOL

We will be offering our annual summer school program again this year. It will begin on Monday, June 28th and will end Friday, July 23rd. Our summer school program will be offered both remotely and on campus, if COVID-19 positive continue as low as they currently are. We will be sending more information home next month.

IN-PERSON INSTRUCTION

Now, that our students have been on campus for in-person instruction since February and positive COVID-19 cases remain low, we will begin a regular schedule for our students. Starting on Tuesday, May 11th our dismissal time will change to 2pm instead of 11:20am, except every other Wednesday when teachers work on the classwork packets. We will continue with a 12pm dismissal those Wednesdays. Students will continue to learn remotely on Mondays and Fridays and on-campus Tuesday-Thursday. As a precautionary measure, there will be no hot lunch. Please pack a lunch for your child. If your child is not currently attending school on campus and you would like your child to begin attending in-person instruction starting on May 11th, please inform the school office by Thursday, May 6th. For those families who feel more comfortable having their child at home, we will continue offering remote learning Monday-Friday.

Thank you for your continued trust and support!
