Have a wonderful summer break!

Dear Mary Immaculate School Parents,

I pray you and your families are safe and healthy. As we get ready to end the school year, I would like to take this opportunity to thank you for your help and support, especially during these uncertain times! It has been a blessing working in partnership with you and being part of such a wonderful school community the last four years. I am looking forward to a great 2021-2022 school year!

I also would like to thank our teachers and staff for their hard work and dedication to our students and for always going above and beyond. They are truly a blessing to Mary Immaculate.

As we get ready to close the year, I would like to wish two very special teachers, Mr. Rosas and Ms. Williams, the best as they will be leaving us next school year! Ms. Williams will embark on a new journey as a high school teacher and Mr. Rosas will move on to continue with his education, but we will see him at MI as a regular substitute teacher. Thank you Mr. Rosas and Ms. Williams for your years of service to the Mary Immaculate School family, but above all, thank you for your love and dedication to our students. You will be truly missed. We wish you the best.

It's amazing to see that the school year is coming to an end. It seems like it was just yesterday when we first began the school year and what a year it has been! Never did we imagine that we will end another school year doing remote learning, but here we are after almost fifteen months. I am very proud of our school community! In spite of the changes and challenges, we worked together and are ending the school year stronger. The challenge did not separate us! It brought us closer together and that's what strong teams do! Together in partnership, we have been able to continue providing a strong curriculum for our students. I can't thank you enough for your support and tremendous work with your children.

I don't know what God's plan will be for us and what the next school year is going to look like, but I know that together united in prayer we will thrive.

Have a blessed and safe summer!

Many Blessings,

Veronica Macias

SCHOOL YEAR 2021-2022

We would like to welcome Ms. Denise Crosby and Ms. Diane Garcia to the Mary Immaculate School family. Ms. Crosby will be teaching 7th grade and Ms. Garcia will be our new 5th grade teacher. They both come highly recommended and we can't wait to have them join our faculty this summer. Both, Ms. Crosby and Ms. Garcia are very excited to be joining our school community. Welcome to MI Ms. Crosby and Ms. Garcia!

The first day of school will be Tuesday, August 24, 2021. We have been directed by the Department of Catholic Schools to prepare for a full re-opening and the return of all students on campus for in-person instruction in the fall. The Department of Catholic Schools also instructed us to prepare for remote learning in case we are asked to close and return to remote learning in the winter. Mary Immaculate will be prepared for both. I want to reassure you that the well-being and safety of our students is a priority to us. We will continue following the COVID-19 Safety guidelines by the LA County Department of Public Health, the Department of Catholic Schools, and the Archdiocese of Los Angeles. I will provide you with more information regarding COVID-19 safety procedures and/or mask mandates as soon as I receive further information from the Department of Catholic Schools. We are looking forward to welcoming all our students back on campus in August!

Our goal is to become a better Mary Immaculate each year in order to provide our students with a high quality education. We believe that

college readiness begins the day your child enters our classrooms the first day of school. I know that if we continue working in partnership, the sky is the limit for our students. Thank you for trusting us with the education of your children! We are looking forward to a wonderful 2021-2022 school year! 😊

END OF THE SCHOOL YEAR

We strongly believe that the hard work and accomplishments of our students need to be celebrated. We will have a virtual Honors Awards Assembly on Friday, June 18th via Zoom following our school Mass. Teachers will be sending the link to those families whose children will be receiving an award. It will be a private celebration for our school families, therefore, for safety reasons we ask you to please not forward the Zoom link to anyone. Our last day of school will be Friday, June 18th and dismissal will be at 11am. We will be collecting textbooks and loaned iPads that day after school from 11:15am-12:45pm. You will also pick up Report Cards, Summer Reading Assignments, and Student Supply Lists that day. We will have different drop off/pick-up stations for each item. I will email you a copy of the schedule next week.

Thank you for your continued support! 😊

SUMMER OFFICE HOURS

If you have not signed the SMART form or need to re-register your child, the office will be open from 7:45am-1pm for the month of July. The office will be closed July 26th-July 30th and will re-open Monday, Aug. 2nd.
